RE: Survey Access
Project: M2E4
Tract #: TX-
Bandera County, Texas

Dear Landowner:

M2E4 LLC ("M2E4") is developing a route for a new pipeline and appurtenant facilities in Midland, Upton, Reagan, Crockett, Schleicher, Sutton, Edwards, Real, Kerr, Bandera, Uvalde, Medina, Frio, Atascosa, and Wilson Counties, Texas (the "Pipeline"). Based on preliminary routing, the Pipeline may cross or involve property owned by you or in which you have an interest; which property is more particularly described in the tax parcel map and card attached (the "Property").

Before M2E4 can finalize the route of the Pipeline, M2E4 respectfully requests permission to survey the Property for metes and bounds purposes and to conduct archaeological, species, and environmental walk-throughs, inspections, and/or testing, as may be required by applicable state and federal laws. A Survey Access Form is enclosed for your review and signature that will be used to gather information about the Property and the people who may need to be contacted regarding the survey and access to the Property. If the proposed Survey Access Form meets with your approval, please sign in the indicated space, and return to me via facsimile at (281) 887-7134, electronic mail at robblack@bellsouth.net or by mail in the stamped, self-addressed envelope included for your convenience. In the meantime, an agent representing M2E4 will contact you to discuss the Pipeline and survey access and answer any questions you may have regarding the survey.

Finally, enclosed is a copy of the Landowner's Bill of Rights which was prepared by the Office of the Attorney General of the State of Texas. Please understand that M2E4 is sending this information to you as required by law, it is M2E4's desire to negotiate a mutually acceptable agreement with you for the acquisition of such rights.

If you have any questions in the meantime or would like to discuss this matter further, please call me at (901) 326-1240.

Respectfully,

Robert Black
